INFORMATION MAIL

on holding the VI International Scientific and Practical Conference:

"CAIMU-KEY TO SCIENCE"

**“MAIN TRENDS AND PROSPECTS FOR THE DEVELOPMENT OF
MODERN SCIENCE, EDUCATION AND HEALTH CARE»**

Dear colleagues!!!!

We invite you to take part in / International scientific
and practical conferences:

"CAIMU-KEY TO SCIENCE"

**“MAIN TRENDS AND DEVELOPMENT PROSPECTS MODERN
SCIENCE, EDUCATION AND HEALTH CARE”,**

which will take place on May 17, 2024 in a hybrid format.

The main goal of the conference is to strengthen interaction between organizations, create a dialogue platform for discussing and updating priority areas for the development of science, education, and practical healthcare.

The organizing committee of the conference will review the initial version of your scientific report for scientific interest, and after peer review, the best reports will be published by Scientific Information Journal «CAIMU BULLETIN»

Conference format: offline/online

Planned program:

No	Name of events	Date of the events	Location
1	Registration Participants/tour of corps	May 17, 2024 8:30-9:00	The main building of CAIMU at the address: Kyrgyz Republic Jalal-Abad Tumonbay Baizakov Avenue 174 Г.
2	Grand opening conference	May 17, 2024 offline/online	Conference hall CAIMU at the address: Kyrgyz Republic of Jalal-Abad, avenue Tumonbaya Bayzakova 174.
3	Plenary session	May 17, 2024 offline/online	-//-
4	Breakout sessions	May 17, 2024 offline/online.	-//-
5	Closing ceremony conference	May 17, 2024 offline/online.	-//-
6	Lunch		

The duration of the report at a plenary session is: 10-15 minutes,

The duration of the report in sections is: 7-10 minutes.

Conference languages: Kyrgyz, Russian, English

The work of the following sections is planned:

- 1. Trends and prospects for development in healthcare and medical science.**
- 2. Current problems, trends and prospects in the humanities, natural and social sciences.**
- 3. Trends and prospects for development in other sciences.**

4. “Multidisciplinary consultation of doctors” on the topic: “Arterial hypertension” for World Hypertension Day, with the participation of practicing doctors of various profiles.

5. “Master classes” on simulators for specialists of the 1st and 2nd levels of healthcare and for young teachers on emergency care for complications associated with Arterial hypertension.

6. Trends and prospects for the development of science, education, healthcare through the eyes of young scientists.

To participate in the scientific conference, you must send an application for participation and an abstract of the speech on May 1, 2024 to the organizing committee by email:

nnimsi@rqulbara.69.tashieva@gmail.co

Letter of application (for each author, see Appendix 1);

Based on the results of the conference, it is planned to publish an electronic collection Scientific works (indexed in the RSCI: authors will receive an invitation to publish separately after the conference).

Articles from 5 to 10 pages are accepted for publication. The decision of the organizing committee to include the report in the conference program will be communicated to the authors separately by e-mail.

Scientific article in Russian, Kyrgyz, English (requirements for scientific articles can be found on the website www.nimsi.kg)

Employees of educational organizations, teachers and students of universities, colleges, researchers, and practical healthcare workers are invited to participate in the Conference.

Organising Committee:

- 1. Arynbaev Zhanybay Tokoevich, President of CAIMU**
- 2. Narymbetov Talantbek Kanatbekovich, Rector of CAIMU**
- 3. Muhammad Shoaib Shahid representative of the Founders Council**
- 4. Ramesh Madesh Advisor to the Rector**

- 5. Orozov Ruslan Nazarbaevich Vice-Rector for Academic Affairs**
- 6. Dzhorjoev Toksonbay Asylbekovich, Vice-Rector of AHC**
- 7. Bolotbekov Kubanychbek Madanovich - Vice-rector of the Faculty of Arts and Sciences**
- 8. Tashieva Gulbara Samidinovna Vice-Rector for Scientific and Medical work**
- 9. Narbaev Mirsadyk Rakhimberdievich Scientific Secretary Ph.D. sciences**
- 10. Kanetova Dinara Yemenovna Head of ITA, PhD, PhD, docent**
- 11. Adanbaeva Rakhat Maksutovna Head of OCHRIK**
- 12. Sydykova Umut Akimbaevna Chief accountant.**
- 13. Borzhiev Urmat Arstanbekovich - Chairman of the Youth Council scientists.**
- 14. Sandhu Hassan Hanif Head of Scientific and Educational Work**
- 15. Muhammad Shoaib Razzaq - Chairman of the Student Scientific Council**

Conference Experts:

- 1. Zhumanalieva Maksuda Bekievna head. Department of Clinical Disciplines,**
- 2. Orozbaeva Zhyldyz Maripovna head. Department of Pharmacy and general medical disciplines".**
- 3. Sadyrova Nurgul Adylgazievna head. department "Clinical disciplines of family medicine"**
- 4. Anarbekova Venera Erkinbekovna head. Department of "Natural and Humanitarian Disciplines."**

Important dates:

Stages of implementation conferences:

- Until **May 1, 2024**, applications (Appendix No. 1) for participation in the conference and scientific articles written for participation in the conference (formulated in accordance with the requirements of Appendix No. 2) are accepted.
- Until **May 10, 2024**, examination of articles and systematization;
- The conference will be held on **May 17, 2024**.
- After the conference, preparation of a collection of articles. Participation in the conference free.

As part of the Conference, a competition of teaching materials will be held.

Articles for the competition will be selected by Conference experts.

The general requirement is that the material must be at least 60% original, and that the content of the material corresponds to the theme and directions of the Conference. Based on the conference materials, it is planned to create a collection in the editorial department of the periodical Scientific Information Journal «CAIMU BULLETIN».

Conference location

Central Asian International Medical University. Address: T. Bayzakov Avenue-174, Jalal-Abad, Kyrgyz Republic

The Conference program will be posted on the official website.

CAIMU will be sent to all participants by email,

Report	

A team from one institution fills out ONE application

RULES FOR REGISTRATION OF SCIENTIFIC ARTICLES FOR PUBLICATION IN THE SCIENTIFIC AND INFORMATION JOURNAL “CAIMU BULLETIN”

An article in the journal can be submitted in one of three languages: Kyrgyz, Russian or English.

To ensure the high quality of the journal's materials, the editorial board asks the authors to strictly follow the rules set out below when submitting articles:

1. The total volume of the article, including literature, tables and figures, should not exceed 7-15 pages.
2. Articles should be executed in the MS Word 2003-2019 text editor and edited strictly according to the following parameters:
 - Margins of 2 cm along the perimeter of the page;
 - Times New Roman font, font size for the entire article, except tables – 14 pt, font size for tables – 12 pt;
 - line spacing – 1.5;
 - page width alignment;
 - Page numbering, the use of page breaks in the text, the use of automatic page-by-page links, the use of automatic hyphenation, the use of sparse or compacted letter spacing are not allowed.
3. In the upper left corner is the UDC cipher.
4. The title of the article is in the center in capital, bold, 14-point font, in three versions: in Russian, Kyrgyz and English.
5. In the upper right corner, the surname and initials of the author (c). Specify the place of work (it is necessary to provide the official FULL name of the institution without abbreviations). After the name of the institution, it is necessary to write the position, the name of the city, the country, separated by a comma.
 - for students: course, full name of the educational program (specialty), full name of the department (faculty), full name of the educational institution, city;*
 - for bachelors: course, full name of the direction/profile, full name of the faculty/institute, full name of the educational institution, city;*
 - for undergraduates: course, full name of the direction, full name of the faculty/institute, full name of the educational institution, city;*
 - for graduate students: full name of the department to which the graduate student is attached, full name of the faculty/institute, full name of the educational institution, city;*
 - for teachers, teachers of additional education, workers in the field of culture and youth policy – academic degree, title, position, place of work – full name indicating all designations and identifiers.*
6. Abstract in Russian, Kyrgyz, English. It is written in Times New Roman 12 font, 1 interval apart, the word "Abstract" is in bold, the text of the abstract is in non-bold font. The volume of the abstract text for a Russian-language article should be 100-250 words. In other languages – according to the translation.
7. Keywords in Russian, Kyrgyz, and English. They must be presented in the amount of 7 to 10 words or phrases. The words "Keywords" are written in bold, the keywords themselves are written in non-bold font. They are placed immediately after the text of the annotation in the appropriate language.
8. Figures, graphs and tables should be placed in the text after the link to it.
9. Graphic material (photos, drawings, graphs, diagrams, including scanned ones) is presented in jpg format. The names and numbers of the graphic material should be indicated below the image.
10. Tables are typed in the MS Word editor (font size 12). Tables should have numbers and names that should be indicated above the tables.
11. Abbreviations and symbols are allowed only abbreviations of measures, physical, chemical and mathematical quantities, terms, etc. accepted in the international system of units.
12. All formulas must be typed in the formula editor.
13. The list of references is numbered in the order of references in the text. References are placed in square brackets, for example, [3], [5-7]. The bibliographic description of each source must comply with GOST.
14. On a separate page, you should provide full name, academic degree, title, position, full postal address, phone numbers, fax, E-mail.

OUT BREAK OF MEASLES IN KYRGYZSTAN

Sahoo Anil Kapoor¹, Turdumambetova
